

**BREKKBULK**

# BREAKBULK. SAVANNAH AND BRUNSWICK. SMART MOVE.

Experience, flexibility and rapid market access make the Georgia Ports Authority the perfect hub for breakbulk cargo.

## GPA ADVANTAGES

- Dedicated teams for project cargo, forest products, iron, steel, and pipe are well-versed in the special handling requirements for each type of cargo.
- Overweight and dimensional cargo permitting assistance with an established relationship with the Georgia Department of Transportation.
- GPA's in-house engineering team provides hands-on analysis for specialized cargo handling, including railcars, trucks and lift equipment.
- Pre-load, as well as pre-staging of loads, are allowed in order to accommodate cargo experiencing tight deadlines, delays and over-the-road permit loading.
- Real-time communication from pre-arrival to follow-up ensures a smooth process.

## RAIL AND ROAD

- **RAIL OPTIONS:**  
**Ocean Terminal in Savannah:**  
Norfolk Southern and CSX (via NS)  
**Mayor's Point in Brunswick:**  
CSX and Norfolk Southern (direct)
- Flexible scheduling for loading/unloading to truck. Ample trucking options. TWIC escorts available.

- Superload-Plus permits, for weights exceeding 180,000 lbs (81,646.6 kg), are available through the Georgia Department of Transportation.
- Direct interstate access to manufacturing points throughout the U.S.

### OCEAN TERMINAL
